

Partnering India

Make in India

22 state-of-the-art manufacturing facilities across the country.

Driving energy efficiency

1 out of every 2 energy-efficient motors sold in the Indian market is manufactured by Siemens.

Powering the nation

22% of power generated in India uses Siemens technology.

Accessible and affordable healthcare

1,63,000 Thyroid tests are performed every day on Siemens' laboratory diagnostics machines.

Building intelligent infrastructure

Combining data and engineering expertise, Siemens maximizes the energy efficiency, safety and security of buildings and infrastructure.

Smarter power grids

Smart grids designed by Siemens for 8 cities in Maharashtra will provide power to 20 million people.

Making public transportation energy-efficient

Trains on Mumbai's suburban network save energy by almost 30 percent and INR 500 million every year with Siemens' regenerative braking technology.

Building skillsets for the future

Siemens scholarship program enables meritorious engineering students from economically-disadvantaged backgrounds to pursue their dreams.

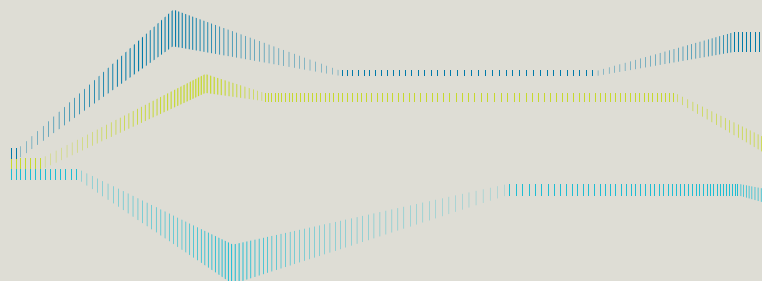

Integrated community development

Siemens leverages its core competencies to bring the benefits of development to 16 remote villages in Maharashtra through Project Asha.

We make in India: 22 state-of-the-art factories

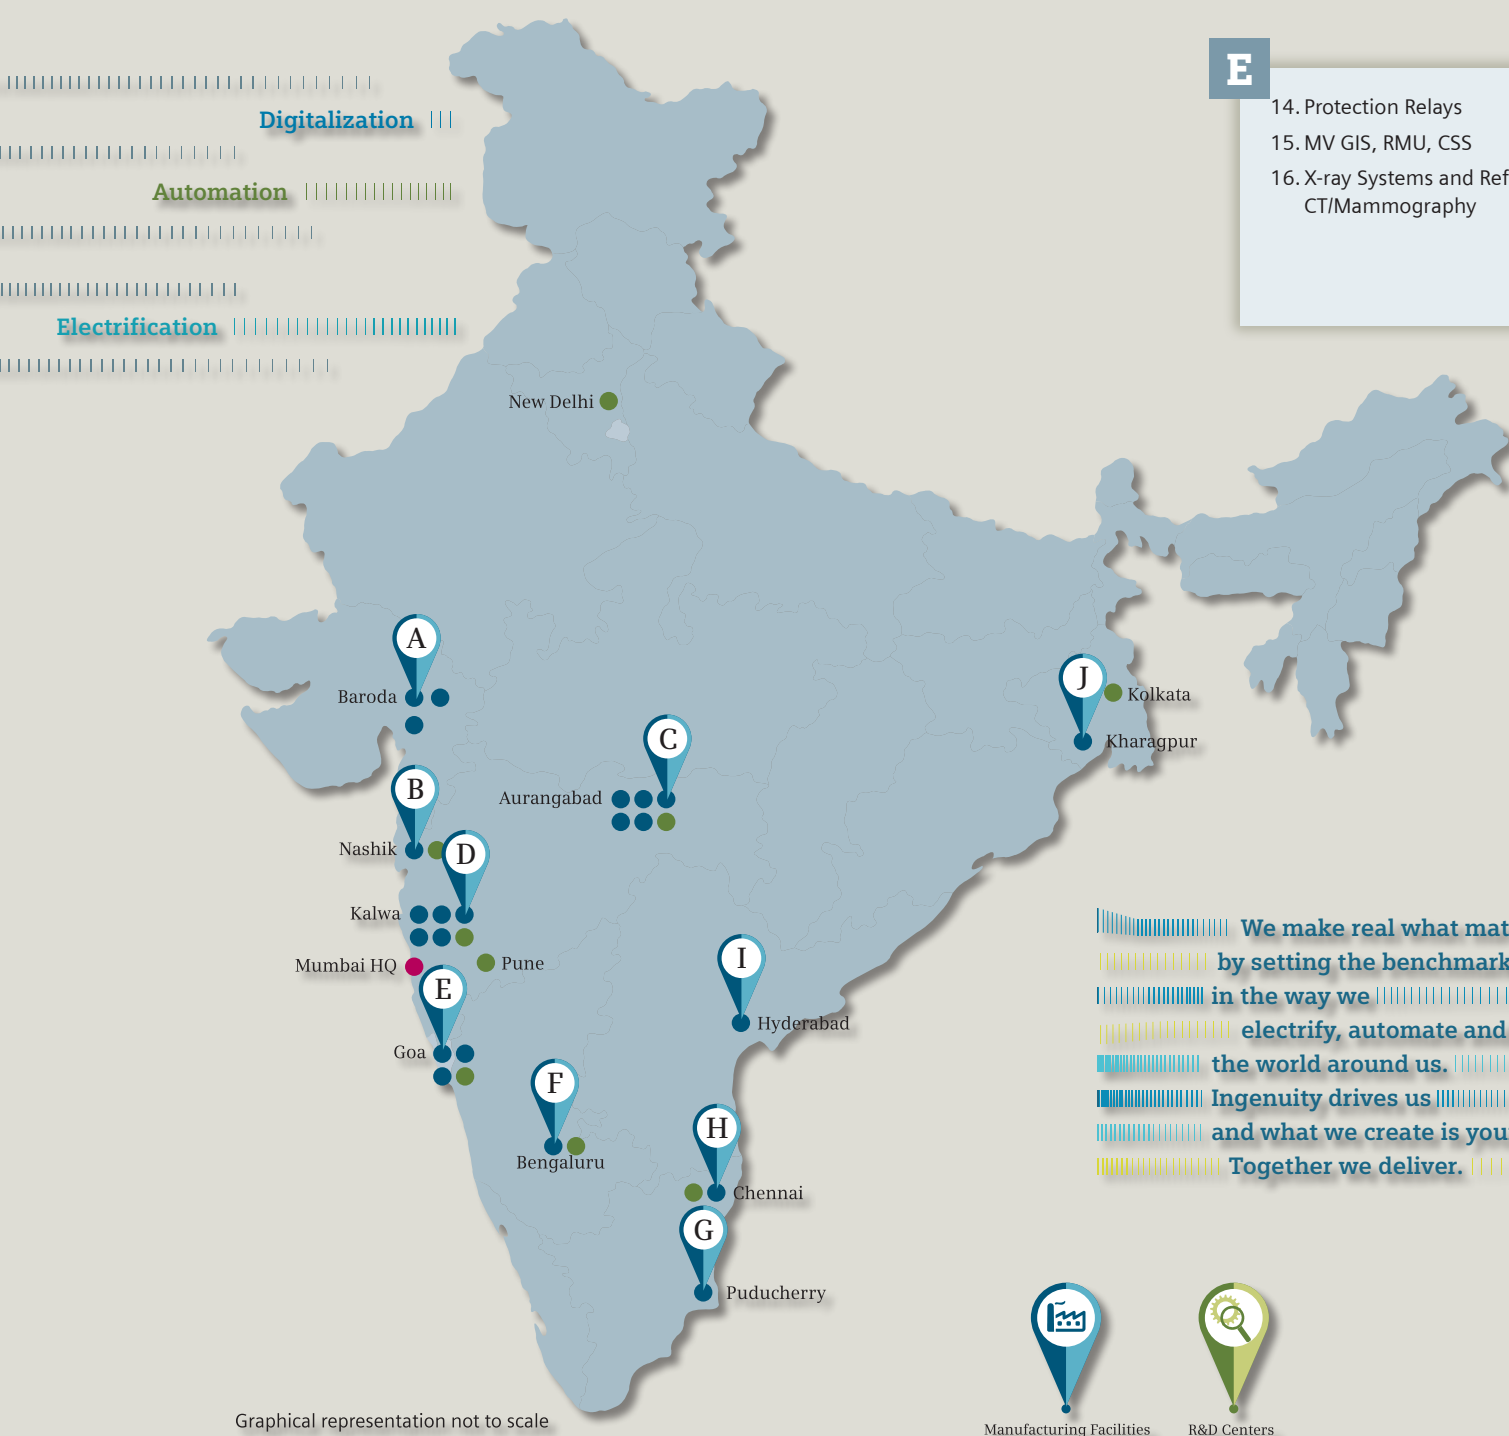

- A**
1. Steam Turbines
 2. Turbo Compressors
 3. Diagnostic Reagents and Urine Strips

- B**
4. Cabinets for Low Voltage Drives & Programmable Logic Controllers and Traction Converters

- C**
5. High Voltage Circuit Breakers
 6. Gas Insulated Switchgear
 7. Instrument Transformers
 8. Miniature Circuit Breakers, Fuses, and Residual Current Circuit Breakers

- D**
9. LV/MV Switchboards, Vacuum Circuit Breakers
 10. Power Transformers
 11. Power Contactor, Overload Relay, Starters
 12. ACB, LBS and accessories of MCCBs
 13. LV/MV Motors, Traction Motors, Wind Mill Generators

- E**
14. Protection Relays
 15. MV GIS, RMU, CSS
 16. X-ray Systems and Refurbished CT/Mammography

Graphical representation not to scale

We make real what matters,
 by setting the benchmark
 in the way we
 electrify, automate and digitalize
 the world around us.
 Ingenuity drives us
 and what we create is yours.
 Together we deliver.

- F**
17. Service Center for Maintenance, Overhaul and Repair

- G**
18. Detectors, Controllers
 19. Fire Suppression Systems

- H**
20. Geared Motors, Industrial Gear Boxes and Wind Gear Boxes

- I**
21. Disconnectors and Earthing Switches

- J**
22. Components for Industrial Gear Boxes and Wind Gear Boxes

18,000 employees

INR 107,665 million revenue

11 R&D Centers
